

Private Customer Advisory Board Masterclass Program & Syllabus

with Mike Gospe, CAB Strategist & Professional Facilitator

Overview

Train your team to design and deliver a world-class CAB experience

A successful CAB program is a catalyst for growth, innovation, and long-term success – for both your company *and* your customers.

Our [Private Customer Advisory Board Masterclass](#) offers you and your team a front row seat and tailored guidance from Mike Gospe, CAB strategist. In a series of intimate and interactive sessions, we will focus on strategies for collecting wisdom and meaningful guidance from your best customers. This is critically important for *maintaining your leadership position today and ensuring your company stays relevant*. Your CAB program, if executed correctly, will become an increasingly important lifeline with your best customers, especially during times of economic uncertainty.

- Private Masterclass comes with 5 seats for your team.
- Come with your CAB program intention. Leave with an optimized framework.
- Learn the latest best practices for engaging CAB members throughout the year.
- Discover how to use your CAB to outpace your competitors.
- Obtain tailored advice and resources to quickly harness your CAB's potential.
- All attendees will receive a copy of my two-volume CAB operations manual: [The Flipchart Guide to Customer Advisory Boards](#) (available on Amazon), plus 3 workbooks.

This two-week Private CAB Masterclass includes two scheduled two-hour sessions, plus two ad hoc hours of “office hours” consultation. We'll use that time to design or refine your CAB program.

Tuition: \$5,250 (includes 5 seats and an evergreen license to use Mike Gospe's CAB materials, teachings, and best practices)

Audience

This Private Masterclass is tailored for your specific company. It is a perfect introduction for anyone who is building their CAB program for the first time and for those who are eager to take their program to the next level by learning how to make the most of this strategic investment in customer research. Attendees often include leaders from Marketing, Product Management, Customer Success, Customer Service, & Voice-of-the-Customer departments.

Come with your teammates to build or transform your cross-functional CAB program together.

Learning Objectives

- **Design & execute a CAB Playbook** that fits today's world.
 - **Integrate your CAB program** with your annual business planning process.
 - **Learn how to use your CAB** to engage in meaningful *conversations* with CAB members (not presentations).
 - **Deliver a winning CAB experience** that differentiates your CAB from your competitors' CABs.
 - **Harness the full potential of your CAB** throughout the year (not just a single meeting).
-
